The Popgraph Package

Rodney J. Dyer

March 15, 2013

Users Manual

The users manual for **popgraph** is located online in html format as it is easier to keep that up-to-date and reduces the size of the package immensely. You can find the manual linked to this package at:

http://dyerlab.bio.vcu.edu/docs/popgraph.html

If you have any questions feel free to contact rjdyer@vcu.edu.
