4	plotDens	7
5	plotQuant	8
6	plotSplom	9
7	plotTrace	10

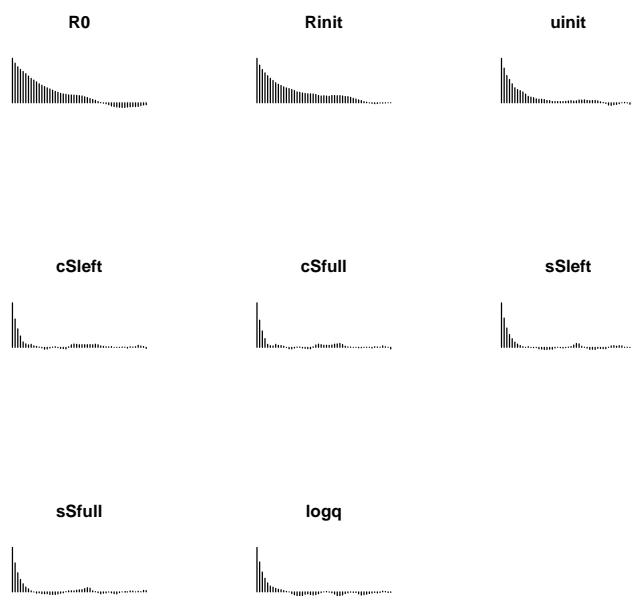

1 Overview

This vignette is only a series of plots, demonstrating how the **scapeMCMC** plot examples look in a PDF document, as opposed to the default graphics device. Mainly intended for package maintenance.

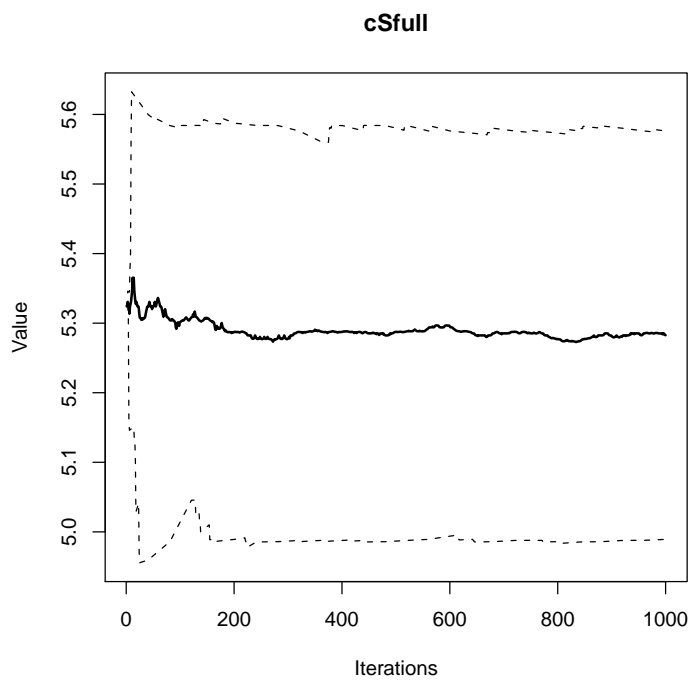

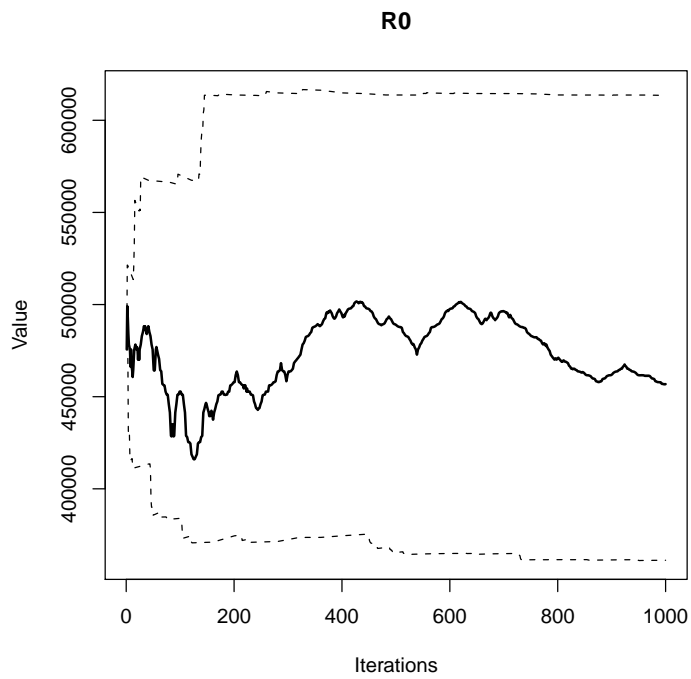

The general introduction to the **scape** and **scapeMCMC** packages is the vignette `R goes fishing`.

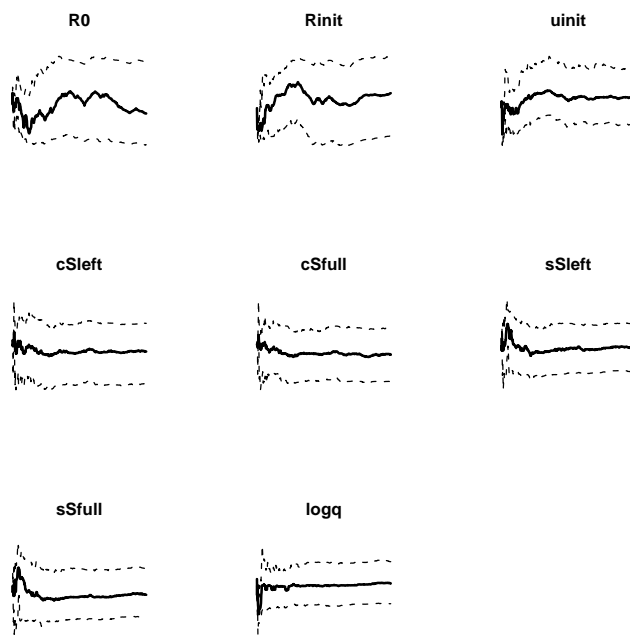

2 plotAuto

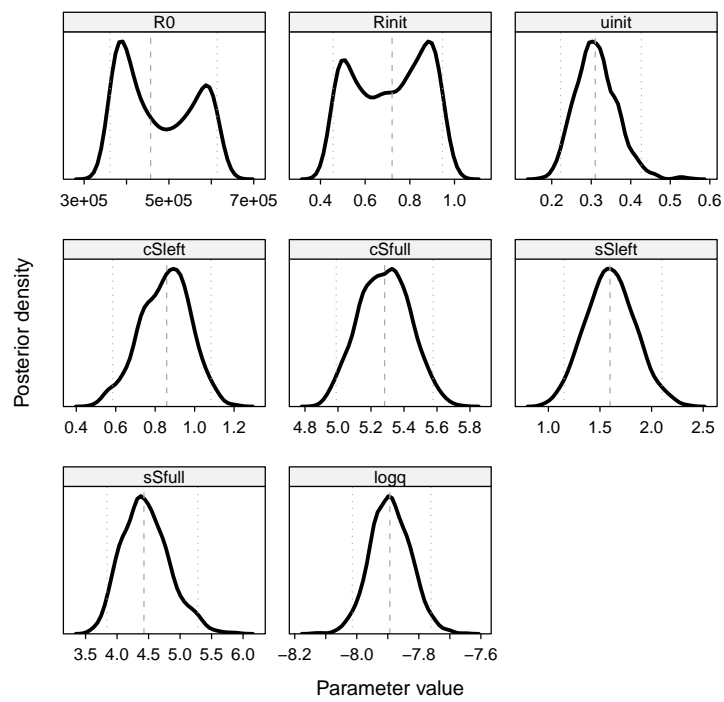

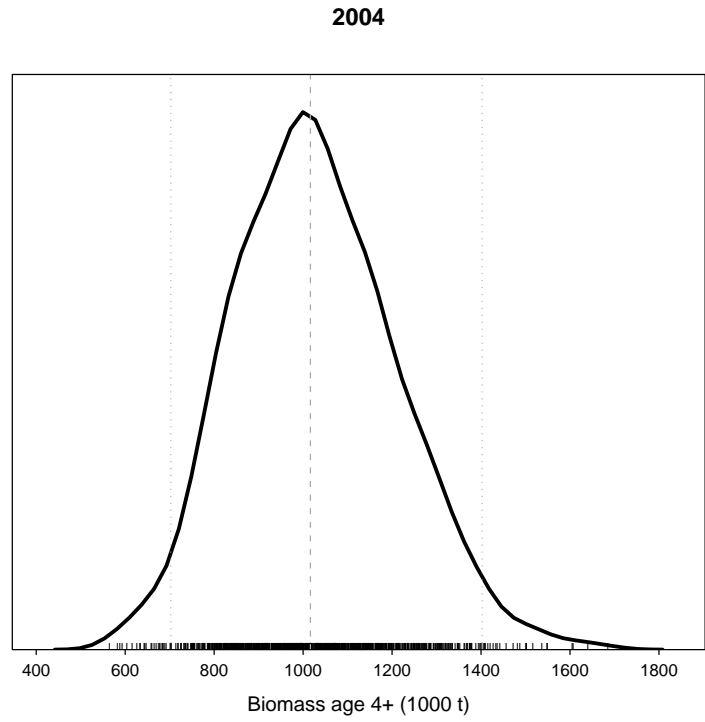

3 plotCumu

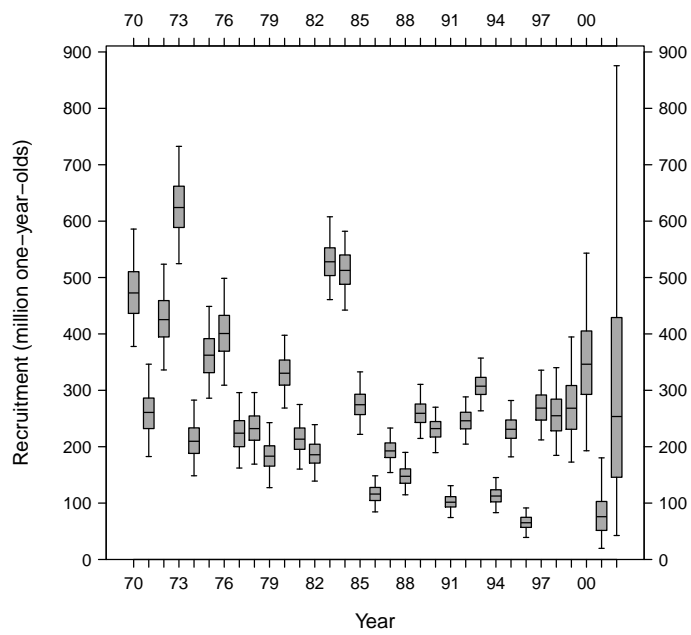

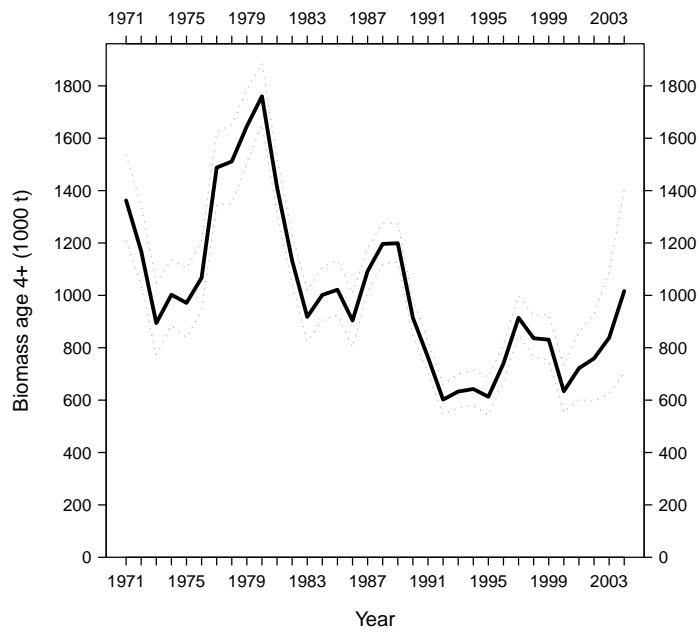

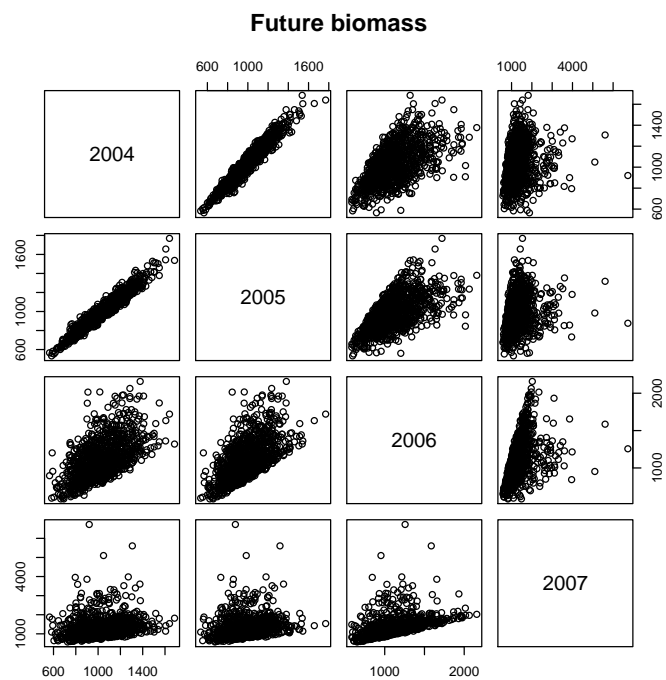

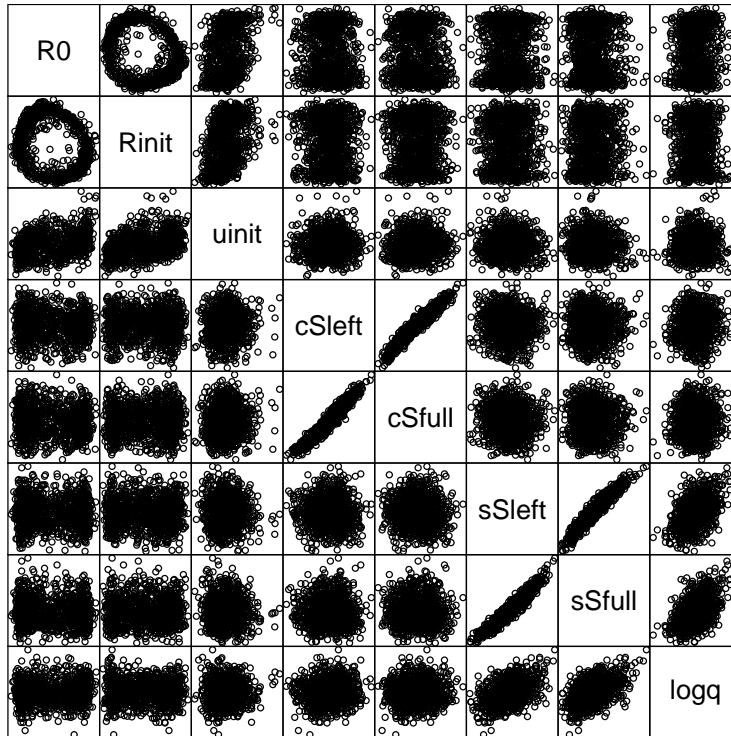

4 plotDens

5 plotQuant

6 plotSplom

7 plotTrace
